HABBOWEEN 2022

IT'S BEEN 365 DAYS SINCE TWO DIFFERENT SOULS MET.
THE WINTER BEAUTY OF LONG DARK HAIR YOU'RE BOUND TO HAVE
NOWHERE TO GO, ALREADY 52 WEEKS AWAY FROM HOME
ONE THOUSAND AND TEN SCATTERED WORDS TO SAY: ALL SOULS ARE ONE.
SSHH! SILENCE AGAIN

We know that many things can happen between Heaven and Hell... and, on Halloween, dark forces roam the hallways of Habbo. This year something major is happening and we are scared of what the future holds for all of us...

Angels are beings of light, but since the creation of Habbos, they started to relate too much to the pixelated life: some falling in love, some making mistakes, and others just falling from grace...

Laylah is a beautiful angel who has always helped the Habbos. Last year, she met a handsome, mysterious man, who she quickly fell in love with. Sadly for them, love between angels and Habbos is forbidden, but this mysterious man wasn't just any Habbo, he was none other than Dracula himself. To avoid falling from Heaven, she decided to leave her love behind and return home to continue protecting Habbos.

Many centuries ago Dracula turned his back on everyone, becoming a dark being after tragically losing his wife. Tormented by the thought of losing Laylah, he decided to take matters in his own hands by invoking dark, ancient forces, transforming his beloved angel into stone. She is now trapped as a statue in Dracula's castle for eternity.

With the news of Laylah's fate spreading, Lucifer is taking this opportunity to rise from Hell and attack Habbo, taking over the place Laylah was sworn to protect with the help of a fallen angel by his side.

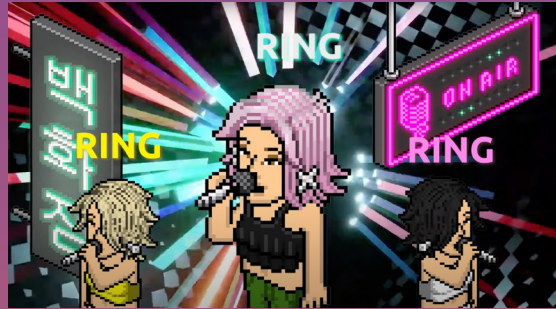

Demons have already started to make their way to Habbo with one goal in mind: cause as much chaos as possible while Lucifer hunts Laylah down to trap her in Hell for all eternity. A battle of the dark forces is bound to take place and we'll need all the help we can get to protect Habbo and help Laylah find her way back to Heaven.

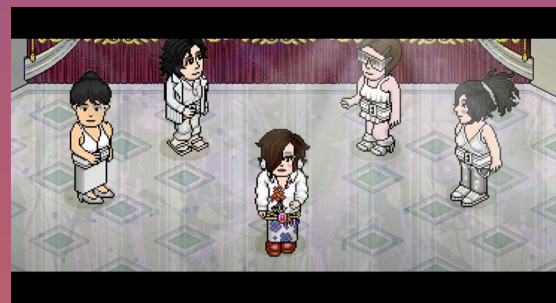

Can you hear this? Oh no... The hellhounds are howling... Be aware, death is upon us...
